Morning Guys,

Hope that all is going well with the site.

Just wanted to check that you had received the below links and were able to implement them without any issues. If so, it would be great to see them working on a staging link perhaps?

Also, just so you know, new & final embed links for English & Wales will be coming over today. Will flag when you should be expecting these when we have a clearer idea of times.

Thanks!

Subject: Victor the Vote counter Youtube links for TEST
Importance: High

Hi Jess, Ryan,

We have now uploaded Low-RES, WIP, animations to Youtube **for testing purposes only**. These are not public, only those that know the specific URL can view them. Titles, tags, commentary are all to be added in.

You can use these links for test with the HTML functionality. BUT please be aware that these are NOT the definitive URLs to use as we will have to delete these videos to re-upload the finished hi-def versions.

When we do supply the FINAL URLs, we'll also send the embed code that includes the instruction for related videos not to appear.

Please give them a whirl and come back to me if you have any concerns.
