

# Application to register a minor political party in Great Britain

## Explanatory notes on completing form RP1M

Please refer to the accompanying document, *Guidance on registering as a political party* before completing this form. This form should be only used to register a minor party on the Great Britain register of parties. **Parties which are registered as minor parties will only be able to contest parish or community level elections.**

Each of the following notes corresponds to a numbered section on Form RP1M.

### 1 Declaration

This declaration states that the party wishes to be registered as a minor party on the Great Britain register of parties. In addition to specifying the name of the party, please indicate whether the party is to be registered in each of England, Scotland and Wales. If the party chooses not to register in one or more parts of Great Britain, it is open to The Electoral Commission to register another party with a similar name in the remaining part or parts of Great Britain. Please note that although minor parties may be registered in Scotland, they can only contest parish elections in England, and/or community elections in Wales.

### 2 Signatures

This declaration must be signed by the party leader or nominating officer.

### 3 Party name

At this section, please enter the name under which the party is to be registered. If the party name is in a language other than English or Welsh, an accurate English translation must also be provided. If the party name is in Welsh there is no need to provide an English translation, but if a translation is provided both the Welsh name and the English translation will be jointly registered to the party. **Please refer to the *Guidance on registering as a political party* document for guidance on the controls on registering a party name, and the current Register of political parties on the Commission's website [www.electoralcommission.org.uk](http://www.electoralcommission.org.uk).**

### 4 Address

This should be the address of the party's headquarters. If the party does not have a headquarters, it should be an address to which correspondence can be sent. **Please note that this is the address to which all correspondence will be sent, and that it will be published in the public register even if it is the home address of an individual.**

Details of daytime telephone, fax and email will also be helpful in order that the Commission can contact the party more easily. These details will not be published on the public register.

### 5 Emblems

Parties can register up to three emblems. Please specify in the relevant box how many emblems the party intends to register.

Please enclose a separate attachment sheet showing each emblem. Emblems should be in black and white only, with no colours or shades of grey, and should fit within a 5cm square frame. This will enable the Commission to make a good quality reproduction of the emblem, which can be reproduced in black and white on ballot papers.

Parties may also include a description of each emblem if so desired.

## 6 Fee enclosed

At this section, please confirm that the party has enclosed the fee of £150. **Please note that, once submitted, the £150 fee cannot be refunded.**

## 7 Party officers

Please give the full name and home address of the people to be registered as leader and nominating officer of the party. If one person is to be registered as leader and nominating officer, the party must register an additional officer of the party, stating what position in the party that person holds.

Please note that the home addresses of individuals will not be part of the published register of parties and therefore will not be available to persons viewing register entries (unless an individual's address is published as the headquarters address).
