13 March 2008

Dear Sir

**Electoral Review of the new Shropshire Unitary Authority**

In response to your correspondence dated the 26 February, at the last meeting of Stockton Parish Council we discussed the two issues mentioned in your dispatch. The Council is of the opinion we remain at 7 councillors, the name of the ward is changed from Harrington (which does not exist as a settlement) to one more appropriate, the name of Stockton Parish Council remains and the boundaries remain as they are. As for warding under the new Authority, we would not like to see less wards, more extensive areas, or fewer representatives, as under the new Authority "localism" is being lost.

I trust these points will be considered.

Yours faithfully

John Sambrook Owen  
Chair to Stockton Parish Council
