Subject: Morval Parish Council -Cornwall

Unitary Authority Electoral Review of Cornwall.

Proposal to incorporate Morval in Division 90-91.

Could the relevant authorities when coming to a decision please take the following into account:

Morval is a Rural Parish consisting in the main of farming and agriculture, and has nothing in common with Looe a large town reliant on tourism and fishing. The Parish is at present in Division Number 92 Dobwalls and Trewidland which is made up of similar communities and people and organisations that the parish has built up a relationship with.

Sue Aunger Parish Clerk.
