Dear Sir

LOCAL GOVERNMENT REVIEW

At the meeting of Holne Parish Council held on 9th April 2008 , it was resolved that I write to you with regard to the Local Government Review .

It was agreed that Holne Parish Council support the concept of the creation of a South Devon and Dartmoor Authority covering the districts currently administered by West Devon Borough Council and, Teignbridge and South Hams District Councils as an Authority best suited to the needs of our rural Communities.

I was also asked to comment that , even with the most preferrable ratio of 1 Councillor to 4000 population being that possible under a South Devon and Dartmoor Authority , the level of representation falls short of the ratio of 1 Councillor to 5 villages currently offered by South Hams District Council.

Yours Faithfully

[REDACTED]

Karen Gilbert
Clerk , Holne Parish Council
