Dear Sir

#### **Ditton Priors Parish**

Ditton Priors parish is an important community to many of the smaller parishes surrounding it. The village of Ditton Priors has two shops, a garage selling petrol and servicing cars, doctors surgery, area primary school, industrial estate with 200 jobs, two nursing homes and an adult learning centre and it is the only community within the area with a post office that is open at present.

The Parish Council would like to suggest a ward is made up of Ditton Priors Parish and the surrounding parishes of Aston Botterell, Burwarton and Cleobury North Parish Council, Neenton Parish Meeting, Chetton Parish, Acton Round, Aston Eyre, Monkhopton, Morville and Upton Cressett Parish Council, Easthope, Shipton and Stanton Long Parish Council, Abdon and Heath Parish Council/meeting. Residents of these Parishes all look to Ditton Priors for some of their services. Many have residents who are members of societies and clubs in Ditton Priors including a Twinning Association formed by a resident of Abdon and Heath.

The area is dominated by the highest hill in Shropshire the Brown Clee. The Parish Council would like to suggest the ward is called the Brown Clee ward. There are many organisations in the area incorporating the communities using the Brown Clee in their name.

Yours faithfully

  
Jayne Madeley-  
Clerk
