Dear Ms Hill and Mr Good

Structural review of Suffolk

I am writing to you following your joint response to the publication of our draft proposal report for Suffolk.

The Committee have met to discuss the submissions and have identified one question on which it would welcome your Council's comments.

- Is it considered that a Community Governance Review would be carried out in Ipswich, with a view to considering whether it should be represented by one or more parish and town councils?

I would be grateful for a response to this question by 6 November 2008. It is possible that the Committee may have further questions in relation to your submission at a later point in the review process.

A copy of this letter, and all other letters being sent to local authorities to whom the Committee has asked questions, will be published on the Committee's website at <http://www.electoralcommission.org.uk/boundary-reviews>, together with the responses to them.
