Mr Scallan, who is Head of Statutory Services at Manchester City Council, is working on secondment to the Electoral Commission. The secondment is currently due to end on 31 December 2011. As part of the secondment arrangements, the Commission meets the cost of some travel to and from Manchester, and of overnight accommodation in London. These payments are treated as a benefit-in-kind and the total are reported in the Commission's annual accounts. The Electoral Commission makes a payment to HM Revenue and Customs to cover the tax liability which arises on these payments.
