Emergent Party Review

Following the problems during 2006-07 when the website payment collection system failed and the webmaster withdrew his support for the system, the Party has been unable to renew membership subscriptions and also not able nor recruit further paying members. Without incoming funds the Party has not been able to sort these problems out. So it is with regret that the decision has been made to deregister the Party (form enclosed) to avoid incurring further costs at this time.
