The Electoral Commission Vote on Account 2017 - 18

INTRODUCTION

Vote on Account for 2017-18

Schedule 1 paragraph 14 of the Political Parties, Elections and Referendums Act 2000 requires the Electoral Commission to submit to the Speaker's Committee each financial year an estimate of the Commission's income and expenditure. After concluding its examination and making modifications (if any) to the estimate the Speaker's Committee shall lay the estimate before the House of Commons.

The Vote on Account provides finance to allow existing services to continue during the early months of the coming financial year, pending Parliament's consideration of the Electoral Commission's Estimate for 2017-18

The Vote on Account is presented in both resource and cash terms. The amounts are normally a standard 45% of the amounts already voted for the corresponding services in the current year, taking account of Main and Revised Estimates where appropriate. These should be sufficient to ensure that funding is not exhausted before the Supply and Appropriation Act is passed in the summer, but not so high as to prejudge Parliament's consideration of the main Supply Estimate.

This Vote on Account together with those for the Local Government Boundary Commission for England, House of Commons, National Audit Office, The Independent Parliamentary Standards Authority and those for central government departments will be incorporated in the Supply and Appropriation (Anticipation & Adjustments) Bill that follows presentation of the Supplementary Estimates 2016-17 and the Vote on Account, which will seek statutory authority for the issue from the Consolidated Fund of a sum equal to the Vote on Account.
