PAGE	TABLE	TITLE	TOTAL
65	17	Q07_CAPI. Which, if any, of the following elections do you know will definitely take place this year where you live? Base = All respondents	641
69	18	Q08_CAPI. Local government elections will be taking place in this area on May 3 2018. How likely are you to vote at these elections? Base = All respondents	641
73	19	Q08. How confident, if at all, are you that you know how to go about registering to vote? Base = All respondents	641
77	20	Q09. As far as you know, is your name on the electoral register, that is, the official list of people entitled to vote, either where you are living now or somewhere else? Base = All respondents	641
81	21	Q10. How satisfied or dissatisfied are you with the system of registering to vote in Great Britain/Northern Ireland? Base = All respondents	641
85	22	Q11. Which one of the following would be most likely to increase your satisfaction with the system of registering to vote in Great Britain/Northern Ireland? Base = All respondents	641
89	23	Q12. Thinking about the system of registering to vote in Great Britain/Northern Ireland, how confident are you that your own personal details are held securely? Base = All respondents	641
93	24	Q13. Are you currently registered for a postal vote? That is, registered to send your ballot paper through the post, rather than having to go to a polling station? Base = All registered to vote (1,2 at Q9)	607
94	25	Q14. How much of a problem do you think that each of the following is at the moment? Base = All respondents	0
98	26	Q14_01. How much of a problem do you think that each of the following is at the moment?: Electoral fraud Base = All respondents	641
102	27	Q14_02. How much of a problem do you think that each of the following is at the moment?: Bias in the media Base = All respondents	641
106	28	Q14_03. How much of a problem do you think that each of the following is at the moment?: Low voter turnout at elections Base = All respondents	641
110	29	Q14_04. How much of a problem do you think that each of the following is at the moment?: Barriers to democratic participation for minority groups Base = All respondents	641
114	30	Q14_05. How much of a problem do you think that each of the following is at the moment?: Foreign influence on UK election results Base = All respondents	641
118	31	Q14_06. How much of a problem do you think that each of the following is at the moment?: Inadequate regulation of political activity on social media Base = All respondents	641
122	32	Q14_07. How much of a problem do you think that each of the following is at the moment?: Intimidation of candidates that run for election Base = All respondents	641

Electoral Commission (ID Pilot pre-wave) Face to face fieldwork

PAGE	TABLE	TITLE	TOTAL
126	33	Q14_08. How much of a problem do you think that each of the following is at the moment?: Inadequate regulation of the money political parties spend on their election campaigns Base = All respondents	641
127	34	Q15. In general, when it comes to being safe from fraud or abuse, what would you say about? Base = All respondents	0
131	35	Q15_01. In general, when it comes to being safe from fraud or abuse, what would you say about: voting in general Base = All respondents	641
135	36	Q15_02. In general, when it comes to being safe from fraud or abuse, what would you say about: voting at a polling station Base = All respondents	641
139	37	Q15_03. In general, when it comes to being safe from fraud or abuse, what would you say about: voting by post Base = All respondents	641
143	38	Q15_04. In general, when it comes to being safe from fraud or abuse, what would you say about: registering to vote Base = All respondents	641
145	39	Q16. For each of the following please tell me whether you agree or disagree Base = All respondents	0
149	40	Q16_01. Please tell me whether you agree or disagree: There could be enough electoral fraud in some areas to affect the election result Base = All respondents	641
153	41	Q16_02. Please tell me whether you agree or disagree: It would be easy to get away with electoral fraud in Great Britain/Northern Ireland Base = All respondents	641
157	42	Q16_03. Please tell me whether you agree or disagree: The results of elections in this country have been affected by electoral fraud Base = All respondents	641
161	43	Q16_04. Please tell me whether you agree or disagree: I would know electoral fraud was taking place if it was happening in my area Base = All respondents	641
165	44	Q16_05. Please tell me whether you agree or disagree: I would know how to report electoral fraud Base = All respondents	641
169	45	Q16_06. Please tell me whether you agree or disagree: I would report electoral fraud taking place if I saw it happening Base = All respondents	641
173	46	Q16_07. Please tell me whether you agree or disagree: There are sufficient safeguards in place to prevent electoral fraud Base = All respondents	641
177	47	Q16_08. Please tell me whether you agree or disagree: Electoral fraud is very common where I live Base = All respondents	641

Electoral Commission (ID Pilot pre-wave) Face to face fieldwork

PAGE	TABLE	TITLE	TOTAL
181	48	Q16_09. Please tell me whether you agree or disagree: There have been times when I was made to feel that I had little or no choice about who to vote for because of pressure from people I know Base = All respondents	641
185	49	Q16_10. Please tell me whether you agree or disagree: I have personally seen electoral fraud offences being committed in my local area Base = All respondents	641
189	50	Q16_11. Please tell me whether you agree or disagree: I have heard about electoral fraud offences being committed in my local area Base = All respondents	641
193	51	Q17. Which one of the following do you think would be most effective in preventing electoral fraud from taking place in Great Britain? Base = All respondents	641
197	52	Q18. Before today, had you seen or heard anything recently about voters in some areas being required to present identification at polling stations in order to vote? Base = All respondents	641
205	53	Q19. Can we just check, have you seen or heard anything about voters being required to present identification at polling stations from any of these: Base = All respondents	641
213	54	Q20. As far as you are aware, which, if any, of the following forms of ID will people be able to use in those areas on polling day in order to vote? Base = All who have heard about ID requirement (1-3 at Q18 or 1-20 at Q19)	397
217	55	Q21. Acceptable identification could be: passport, photo driving licence, ID card, your poll card or two recent official proofs of address (e.g. bank statement, utility bill). If you were required to take identification to the polling station would you be more or less likely to vote or would it make no difference? Base = All respondents	641
221	56	Q21_CAPI. If you were required to take identification to the polling station would you be more or less likely to vote or would it make no difference? Why do you say it would make you less likely to vote? Base = All who say ID would make them less likely to vote (4, 5 at Q21)	16
225	57	Q22. Would a requirement for voters to show identification at the polling station make you more or less confident in the security of the voting system, or would it make no difference? Base = All respondents	641
229	58	Q22_CAPI. Would a requirement for voters to show identification at the polling station make you more or less confident in the security of the voting system, or would it make no difference? Why do you say it would make you less confident in the security of the voting system? Base = All who say ID would make them less confident in the security of the voting system (codes 4, 5 at Q22)	8
233	59	Q221_CAPI. If you needed to provide identification in order to vote, how easy or difficult would you find it to access it? Acceptable identification could be: passport, photo driving licence, ID card, your poll card or two recent official proofs of address (e.g. bank statement, utility bill). Base = All respondents	641
237	60	Q31. People have many reasons for voting and not voting in elections and referendums. Did you personally vote at the UK parliamentary general election in June 2017? Base = All respondents	641

Electoral Commission (ID Pilot pre-wave) Face to face fieldwork

PAGE	TABLE	TITLE	TOTAL
241	61	Q34. Which of the following best describes your religious belief/faith? Base = All respondents	641
242	62	Q341_CAPI. People have many reasons for voting and not voting in elections and referendums. Did you personally vote in any of the following? Base = All respondents	0
246	63	Q341_CAPI_01. People have many reasons for voting and not voting in elections and referendums. Did you personally vote in any of the following?: The UK parliamentary general election in May 2015 Base = All respondents	641
250	64	Q341_CAPI_02. People have many reasons for voting and not voting in elections and referendums. Did you personally vote in any of the following?: The local government elections in May 2014 Base = All respondents	641
254	65	Q341_CAPI_03. People have many reasons for voting and not voting in elections and referendums. Did you personally vote in any of the following?: The European parliament elections in May 2014 Base = All respondents	641
258	66	Q342_CAPI. Generally speaking, do you personally think of yourself as Labour, Conservative, Liberal Democrat, Scottish National/Plaid Cymru or something else? Base = All respondents	641
262	67	Q35. Thinking now about how active you are in politics and community affairs, during the last 12 months, have you done any of the following? Base = All respondents	641
266	68	Q37. Do you have any long term illness, health problem or disability that limits or restricts what you can do? Base = All respondents	641
274	69	Q38. Which of the following best describes your ethnic background? Base = All respondents	641
278	70	Q39. Do you have children in any of these age groups? Base = All respondents	641
282	71	Q40. Is the house or flat in which you live...? Base = All respondents	641
286	72	Q41. How long have you lived at your current address? Base = All respondents	641
290	73	Q42. What is the highest educational level that you have achieved to date? Base = All respondents	641
