Canvass reform: Cabinet Office survey

Earlier this month the Cabinet Office issued their second [canvass reform newsletter](#) which included a link to their [first checkpoint survey](#). This first survey aims to help Cabinet Office understand how confident EROs and their teams are in relation to completing the data testing elements of the reformed canvass process. To help you complete the survey, Cabinet Office have made available a [PDF version](#) of the questions; you can also request a word version by contacting Cabinet Office on the email below.

This is the first in a series of three checkpoint surveys which Cabinet Office will be issuing between now and July 2020. Each survey is designed to review the progress being made towards the delivery of canvass reform, and the information you provide will also help to inform how the Cabinet Office develop their plans for training to support implementation.

If you have not already completed the survey, Cabinet Office have requested that you do so by Monday 15 July.

If you have any questions in relation to the newsletter or survey, please contact canvass-reform@cabinetoffice.gov.uk.
