2019 canvass: management information survey

As part of our stakeholder engagement activities throughout the canvass, we will be collecting information from all EROs through a [management information survey](#).

The survey requests data about when you issued HEFs and ITRs, and asks about your plans for following up with those households or individuals yet to respond. It also asks for high-level information relating to personal canvassing and any comments you wish to make on particular challenges you have encountered or any new approaches you have tried that you think have worked well. There is also a question on your approach to publishing notices of alteration as highlighted in [Bulletin 235](#).

Please complete the survey by no later than Friday 18 October.

If you have any questions or concerns about the process, please contact your [local Commission team](#).
