May 2020 Police and Crime Commissioner elections: Your vote is yours alone campaign resources

Our resources to raise awareness of and help prevent electoral fraud are available to [download from our website](#). These include:

- videos
- posters
- leaflets
- online banners
- template social media posts and graphics

There are resources for both postal voting and voting in a polling station.

The campaign, which we are delivering in partnership with the charity Crimestoppers, highlights what constitutes electoral fraud, and aims to empower people to protect their vote and report any concerns to Crimestoppers 100% anonymously.

Reminder of consultation on new performance standards for Electoral Registration Officers

As set out in [Bulletin 262](#), on 22 January we launched a [consultation](#) on new performance standards for Electoral Registration Officers.

Our intention is to establish a set of standards which can be used by EROs and the Commission throughout the year (including in the lead-up to electoral events), to understand and improve performance, ensuring ultimately that electoral registers are as accurate and complete as possible and that everyone who is eligible and wants to vote is able to do so.

The consultation closes on **31 March** and we want to hear from as many people as possible. You can respond by filling in [this form](#) or emailing your views to performancestandardsinbox@electoralcommission.org.uk.
