Subject: FOI 051/18 Facebook Adverts Spending - Response

Dear Mr [redacted]

Many thanks for your request.

Our response is as follows:

Political parties such as the SNP have to report campaign expenditure to the Commission at major statutory elections including the general election and Scottish parliamentary election. This includes spending incurred on advertising, including digital advertising. You can see all reported spending by the SNP and other regulated entities on our online database here: search.electoralcommission.org.uk. You will also be able to search for suppliers or individual parties.

I trust that this information satisfies your request. The Commission strives to be an open, transparent authority. If you are not satisfied with this response, please note that the Commission operates a review procedure, details of which can be found on the Commission website at: http://www.electoralcommission.org.uk/about-us/freedom-of-information-requests/how-do-I-make-an-foi-request.

Please also note that if you have exhausted all internal Commission review procedures and you are still not satisfied you have the right to appeal to the Information Commissioner. Details of this procedure can be found on the ICO website: https://ico.org.uk/

Yours sincerely,
