Subject: FOI 067/18 Registration Forms Response

Dear [redacted],

Our Ref: FOI 067/18

Thank you for your email to the Electoral Commission dated **20 April 2018.**

The Commission aims to respond to requests for information promptly and regrets that in this instance we have not been able do so.

Your request is in bold below followed by our response.

I wish to request, under the Freedom of Information Act 2000, a copy of:

· The registration forms submitted by Best for Britain to the Electoral Commission.

· The registration forms submitted by Momentum to the Electoral Commission.

· The registration forms submitted by The World Transformed to the Electoral Commission.

Our response is as follows:

We understand your request to be for the forms submitted by the relevant organisations to register as non-party campaigners. We hold the information you have requested. Please find attached the following documents:

Pages 1-3: Notification of recognised third party status – UK-EU Open Policy Limited (campaign name: Best for Britain)
Pages 4-6: Notification of recognised third party status – Momentum
Pages 7-9: Notification of recognised third party status – The World Transformed

A non-party campaigner can submit a notification using various channels, one of which is the Commission's website - PEF Online. The notification forms to register as a non-party campaigner that we hold for all three entities in the request have been submitted on PEF Online.

The details included in the forms have been downloaded from PEF Online. However, please note due to technical restraints, the data downloaded from PEF Online may appear in different forms. You will also note that it appears that the forms have not been signed. That is because applications that are submitted on PEF Online are digitally authorised, rather than physically signed.

You should also note that some of the details the application forms provided may have been amended, either as part of the application process or post-registration and may appear differently on the register of non-party campaigners.

You will note that the name of the responsible person on the application to register UK-EU Open Policy Limited (campaign name: Best for Britain) has been redacted. That's because the person who the campaigner nominated as their responsible person changed throughout the application process. The person registered as responsible person as a result of the application to register was Sara Nevrkla. However, you may note from the register of non-party campaigners has since changed.

Exemptions under section 40(2)

You will notice that certain personal details have been redacted from the documents we are releasing. Section 40(2) provides exemption where the information requested constitutes personal data as defined by the Data Protection Act 1998 (DPA), and where release of the information requests would breach one of the data protection principles. Some of the information contained in the requested information falls within the description of personal data as defined by section1 of the DPA because the information relates directly to an identifiable living individual. This includes names and contact details of individuals in the document.

I trust that this information satisfies your request. The Commission strives to be an open, transparent authority, but in some circumstances we cannot responsibly release requested information, and we ask for your understanding in this regard.

If you are not satisfied with this response, please note that the Commission operates a review procedure, details of which can be found on the Commission website at: http://www.electoralcommission.org.uk/about-us/freedom-of-information-requests/how-do-I-make-an-foi-request

Please also note that if you have exhausted all internal Commission review procedures and you are still not satisfied you have the right to appeal to the Information Commissioner. Details of this procedure can be found on the ICO website: https://ico.org.uk/

Yours sincerely,
