Who this form is for:

The 'responsible person' as notified to the Electoral Commission must complete this form and submit it to us.

Alternatively, you can fill in your donations return by using this [form](#) and submitting a scanned copy to us by email.

It is a legal requirement to provide the information specified in the form, except where we have indicated this is optional.

Donations to your campaign

Registered non-party campaigners are required to submit a report detailing donations made to them towards regulated campaign spending to the Electoral Commission. These reports should be submitted with the [spending return](#) that non-party campaigners must submit after the election.

You should read the related guidance before completing this form.

The deadline for submitting your donation and spending returns is set out in our [guidance](#).

For more information see related guidance:

- [Overview of donations to non-party campaigners](#)
- [Permissibility for non-party campaigners](#)
- [Managing non-party campaign spending](#)

Details of the following donations should be reported in the report:

- all impermissible donations
- all accepted donations over £7,500
- all accepted donations that add up to over £7,500 from the same donor
- the total of all other accepted donations that were worth more than £500 and less than or equal to £7,500. You do not need to provide any more information about these donations.

We will publish details of donation reports on our website after the election.

Registered non-party campaigners that are also registered parties (except minor parties) do not have to submit a donation report with their spending return, but must include details of all donations received in the relevant quarterly donation report.
