Dear [redacted],

Our Ref: FOI 182/18

Thank you for your email to the Electoral Commission dated **19 November 2018.**

The Commission aims to respond to requests for information promptly and **has done so within the statutory timeframe of twenty working days.**

Your request is in bold below followed by our response.

1. **I would like to request the amount of voters in the 2017 general election who were registered at more than one address.**

Our response is as follows:

We do not hold the information you have requested.

Some electors are entitled to register at more than one address, for example students and some second home owners. However, the electoral registers for each local authority or parliamentary constituency are held separately by the relevant Electoral Registration Officer. It is not therefore possible to tell how many people appear on more than one register.

I trust that this information satisfies your request. The Commission strives to be an open, transparent authority.

If you are not satisfied with this response, please note that the Commission operates a review procedure, details of which can be found on the Commission website at: http://www.electoralcommission.org.uk/about-us/freedom-of-information-requests/how-do-I-make-an-foi-request

Please also note that if you have exhausted all internal Commission review procedures and you are still not satisfied you have the right to appeal to the Information Commissioner. Details of this procedure can be found on the ICO website: https://ico.org.uk/

Yours sincerely,
