Issue 303 (Scotland) – 23 March 2022

May 2022 elections: update on party names, descriptions and emblems

As per our approach to providing updates on changes made to party names, descriptions and emblems set out in [Bulletin 301](#), below is a summary of the updates we have made since [Bulletin 302](#).

As you will see, there have been a number of recent changes to the register and whilst not all will be relevant to candidates standing in your area, it is important that you read the list of updates to parties carefully to ensure that you are aware of changes that may impact on those standing in your area:

- [Climate Party](#)
- [National Housing Party United Kingdom](#)

No parties have been deregistered since the previous Bulletin.

You can find full details of what amendments have been made in our [list of recent decisions to approve or reject applied-for party names, descriptions and emblems](#). On our website you can also find a [list of applications we are currently considering](#).

When receiving nominations, Returning Officers must check that the party name or any description given on a nomination form, as well as the requested emblem, is registered on [the Commission's register of political parties](#) and that the details provided match the registration. To ensure that you are viewing the most up-to-date information, you may need to delete your browser history or refresh the page. If you are unsure how to do this, your IT team should be able to advise you.

Please [contact us](#) if you have any queries about the information contained on the registers.
