EA Bulletins are issued on a regular basis. They are one of our key channels for communicating with Returning Officers, Electoral Registration Officers and their staff. Past issues of Bulletins for England, Scotland and Wales are available [here](#). You can also [subscribe to the EA Bulletins](#).

Please [keep us informed](#) of any staff changes within your team. This will help us to keep our mailing lists up-to-date.

If there is a new RO/ERO appointment in your authority, please contact the team in Wales by e-mailing [infowales@electoralcommission.org.uk](mailto:infowales@electoralcommission.org.uk)

We are sending you this newsletter as it contains important information about the Electoral Commission's work which is relevant to you. The newsletter forms part of the Electoral Commission's public task which has its basis in the Political Parties, Elections and Referendums Act 2000. We will manage your personal information and contact details in line with the General Data Protection Regulation and UK data protection legislation as outlined in our privacy notice

Issue 320 (Wales) – 4 April 2022

### May 2022 elections: update on party names, descriptions and emblems

As per our approach to providing updates on changes made to party names, descriptions and emblems set out in [Bulletin 316](#), below is a summary of the updates we have made since [Bulletin 319](#):

- [Independent Network \(GB\)](#)

The following party has been de-registered since the previous Bulletin:

- [The Phoenix Political Party](#)

You can find full details of what amendments have been made in our [list of recent decisions to approve or reject applied-for party names, descriptions and emblems](#).

We do not plan to make any further updates to the register in advance of the close of nominations for the May 2022 polls.

**When receiving nominations, Returning Officers must check that the party name or any description given on a nomination form, as well as the requested emblem, is registered on [the Commission's register of political parties](#) and that the details provided match the registration.** To ensure that you are viewing the most up-to-date information, you may need to delete your browser history or refresh the page. If you are unsure how to do this, your IT team should be able to advise you.

#### Emblem Zip file

A [Zip file](#) of emblem images is available on our website and was last updated on 4 April 2022. **You should not use any Zip files downloaded before this date for any purpose.**

While the Zip file can be used by your printer to prepare ballot papers, it is the information on the Commission's register of political parties that should be used for confirming which emblem and description to print on the ballot papers. You should therefore

ensure that you and your printers only download and use the Zip file once nominations have closed.

Please [contact us](#) if you have any queries about the information contained on the registers
