Dear [REDACTED],

**Our Ref: FOI-040-22**

Thank you for your email to the Electoral Commission dated 25 May 2022.

The Commission aims to respond to requests for information promptly and has done so within the statutory timeframe of twenty working days.

Your request is shown below followed by our response.

*Can you please tell me how many expats are registered to vote in each constituency?*

*Could you please tell me how many of said voters fall within the 15 year category and are therefore currently eligible to vote?*

**Our response is as follows:**

We do not hold the information you have requested.

The Commission does hold data on the number of registered overseas electors by local authority in Great Britain on 1 December, but we do not have data by constituency.

The data we hold is for eligible registered electors, as such, all of the electors currently fall within the 15 year limit. Please see the attached for this local authority data.

The Commission strives to be an open, transparent authority. If you are not satisfied with this response, please note that the Commission operates a review procedure, details of which can be found on the Commission website at: <https://www.electoralcommission.org.uk/freedom-information/make-a-freedom-information-request>.

Please also note that if you have exhausted all internal Commission review procedures and you are still not satisfied you have the right to appeal to the Information Commissioner. Details of this procedure can be found on the ICO website: <https://ico.org.uk/>.

Yours sincerely

Information Officer
