2022 annual canvass: resources

To support your work in delivering the annual canvass, we have produced an [updated set of resources](#) for you to use to promote the canvass in your area and encourage residents to complete the required steps.

The resources include social media graphics, template social media messaging, and template press releases.

The social media graphics are simple and versatile, with just an icon representing different stages of the canvass. We have also provided template social media messaging to accompany the graphics, so you can choose what will work best for you and your residents.

The press releases explain what the canvass is, how it is being carried out this year and what residents need to do.
