Dear «Forename»«Surname»

From 4 May 2023, you must take photo ID with you when you vote at a polling station.

You can find out which elections you need to have photo ID for at electoralcommission.org.uk/voterID

You do not need to have photo ID to vote at Senedd or local council elections in Wales.

You can find out what you can use as photo ID at electoralcommission.org.uk/voterID

If you do not have any of the ID on the list,

and want to vote in an election where you need photo ID

you can apply for a Voter Authority Certificate.

A Voter Authority Certificate is free.

You will be able to use your Voter Authority Certificate as photo ID when you vote at a polling station.

You can use the form with this letter to apply for a Voter Authority Certificate.

Or you can apply online at voter-authority-certificate.service.gov.uk

You can only apply for a Voter Authority Certificate if you have registered to vote.

You can register to vote at gov.uk/register-to-vote

or contact us for a paper form.

Our contact details are at the top of this letter.

You can also contact us if you are not sure if you are registered to vote.

When you fill in the Voter Authority Certificate form with this letter, it will help if you:

- have a photo you can send with the form
- know your National Insurance number
- know your date of birth

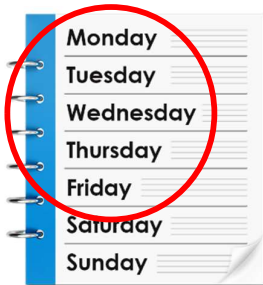

If you do not know this information, you might have to wait longer before we can send you a Voter Authority Certificate.

When you have filled in the form, please send it to the address at the top of this letter.

We must have your form by 5pm, 6 working days before the election you want to vote in.

Working days are usually Monday, Tuesday, Wednesday, Thursday and Friday.

Do not count a day as a working day if it is a public holiday. For example, Good Friday is a public holiday.

Yours sincerely
