## Observing elections in England on 4 May 2023

We know that some of you will be observing the elections in England on 4 May or assisting English colleagues by acting as polling station staff.

It would be helpful to the Electoral Commission and the Wales Electoral Coordination Board if you could provide some feedback from your visits. This will not only support the Commission's reporting on the May 2023 polls but will also help to support planning for the implementation of the voter ID requirements in Wales ahead of next year's PCC elections.

If you will be observing or assisting, please let us know by emailing [infowales@electoralcommission.org.uk](mailto:infowales@electoralcommission.org.uk). We will then send you a checklist to help you record your observations.

### A5 voter ID leaflet

We have produced an A5 leaflet that you can include in your canvass communications later this year to help raise awareness of voter ID with your residents. The leaflet has been designed following consultation with administrators and the Wales Electoral Coordination Board's Communications sub-group.

The leaflet is on our website [here](#).

If you would like to add your own details (for example, logo or telephone number), e-mail us at [infowales@electoralcommission.org.uk](mailto:infowales@electoralcommission.org.uk) and we can share the artwork file with you.
