Dear [REDACTED],

Our Ref: FOI-069-23

Thank you for your email to the Electoral Commission dated 23 May 2023 and received by the Commission on 24 May 2023.

The Commission aims to respond to requests for information promptly and has done so within the statutory timeframe of twenty working days.

Your request is shown below followed by our response.

Under the Freedom of Information Act 2000, I request the following information:

How many EU citizens voted in UK local local elections between 2019 and 2023?

This information should be made available to me in electronic form if possible.

Our response is as follows:

We do not hold the information you have requested.

As voting at all UK elections is carried out by secret ballot, data is not captured on the demographics of voters.

The Commission strives to be an open, transparent authority. If you are not satisfied with this response, please note that the Commission operates a review procedure, details of which can be found on the Commission website at: <https://www.electoralcommission.org.uk/freedom-information/make-a-freedom-information-request>.

Please also note that if you have exhausted all internal Commission review procedures and you are still not satisfied you have the right to appeal to the Information Commissioner. Details of this procedure can be found on the ICO website: <https://ico.org.uk/>.

Yours sincerely
