Dear [redacted],

Our Ref: FOI-104-23

The Commission aims to respond to requests for information promptly and has done so within the statutory timeframe of twenty working days.

Your request is shown below followed by our response.

Can I have a clear list of the English constituencies counted as Borough, and then those counted as Rural please. That is those with a designation of 5p per elector, and those with 7p per elector during elections. Can the same be done for Scotland, Wales, and NI. I couldn't find this information anywhere online. Thank you.

Our response is as follows:
