Our response is as follows:

We do not hold the information you have requested. The Electoral Commission is not responsible for the registration of electors. Electoral registers are maintained by Electoral Registration Officers for individual local authorities.
However, regardless, detailed demographic data is not held or captured for the registered electorate or voters.

The Commission strives to be an open, transparent authority and I trust that this information satisfies your request. If you are not satisfied with this response, please note that the Commission operates a review procedure, details of which can be found on the Commission website at: https://www.electoralcommission.org.uk/freedom-information/make-a-freedom-information-request.

Please also note that if you have exhausted all internal Commission review procedures and you are still not satisfied you have the right to appeal to the Information Commissioner. Details of this procedure can be found on the ICO website: https://ico.org.uk.

Yours sincerely
