

Donations and loans received by political parties and non-party campaigners in the second pre-poll report at the General Election

Under the Political Parties, Elections and Referendums Act 2000, registered political parties must complete four weekly donation and loan reports prior to polling day on June 8, setting out what donations and loans they have received in excess of £7,500 between 3 May and 30 May 2017. Two further reports follow after polling day for the period 31 May to 8 June.

In addition, under the Transparency of Lobbying, Non Party Campaigning and Trade Union Administration Act 2014, registered non-party campaigners must also submit weekly donation reports setting out what donations they have received in excess of £7,500. This information will be published alongside the political parties' donations and loans reports.
