

Donations and loans received by campaigners in the European Union Referendum

Second pre-poll report: 22 April 2016 to 12 May 2016

Under the Political Parties, Elections and Referendum Act 2000 as amended by the European Union Referendum Act 2015, donations received and loans entered into by registered campaigners, and those who later become registered, must be recorded and reported on a regular basis before and after the date of the poll.

Registered campaigners, excluding political parties who report their donations on a quarterly basis, must complete and submit four pre-poll reports.

These cover all donations received and loans entered into over £7,500 during each reporting period.

Reporting period	Deadline for pre-poll reports	Date Electoral Commission will publish donations
1 February 2016 – 21 April 2016	Thursday 28 April	Wednesday 11 May

This document is a summary of donations and borrowing reported to us in the second reporting period, **22 April 2016 to 12 May 2016**.

Campaigners must submit pre-poll reports even if they have not received any reportable donations and/or loans. These are called 'nil reports'.

In addition to the pre-poll reports, after the referendum has taken place, registered campaigners will also have to report:

- All donations and loans over £7,500 that they accepted (unless the campaigner is a registered political party).
- Their campaign spending during the referendum period (15 April 2016 up to and including polling day, 23 June 2016 - the period where campaigners are limited in how much they can spend).
